

## Share your photos and history!

Join us at a Scan-and-Share event to preserve and share your history! Bring your photos, documents, recipes, and other items, old and new! Share photos of your family, vacations, celebrations, your grandmother's recipes, your personal art, and anything else that represents your history.

**Thursday, June 6, 2024**

**12 to 4pm**

**Bears Ears Education Center  
567 W Main St, Bluff, UT 84512**

At the event, Utah Historical Society staff will ask you information and create digital copies of each item. You will keep the originals. These digital copies will become part of the *Peoples of Utah Revisited* online collection.

*The Peoples of Utah Revisited* seeks to widen the lens on Utah's history and share your stories of the past through the present. Find more information at:
